Our first virtual fundraiser, "READY, Set, Go!" is here! Eleven readers each share a story or song in a lighthearted and spirited competition to support Read To Me International.

Please donate \$10 or more to your favorite reader(s) from September 1 - 10. Donations made to reader's campaign will be matched dollar-for-dollar up to \$1,000 per reader. The winning reader gets bragging rights of raising the most funds while sharing the love and joy of reading aloud.

This program is designed to help parents with monthly financial aid for child care costs for keiki ages birth to age 12. Child care includes relative care in the child's home environment, infant/toddler care, group child care, pre-school, and before and after school care.
